Members of tonights meeting discussed the following

date is too close to bring this all together. We will do it next year and start planning in Jan. Regular volunteers are tapped out this time of year with the spring market and golf tournament around the corner. Very concerned about the man power. The cost is too high without knowing if it will sell out. We need cheaper events that have less of a loss margin

Jennie is asking for;

I am proposing 1200.00 and we will make a profit of 3200.00 /2000 loss of the 1200 for expenses
